## THE LENTEN SEASON.

Services at the Different Houses of Worship.

THE CHURCH REGULATIONS.

Bishop Van de Dyver Furnishes Regulations to Be Observed.

Services to be Held at All of the Catholic and Episcopal Churches.

To-morrow is Ash Wednesday, and the forty days of Lent ushered in by it will be observed by the Catholic and Episcopal Churches. The services will be as follows:

**EPISCOPAL CHURCHES.**  
At St. Luke's Church—Morning service daily at 7:30. On Wednesday's evening service will be at 8 o'clock, and on Thursdays and Saturdays at 5 p. m. Holy communion at 7:30 a. m. each Sunday after next Sunday.

At St. Paul's Church—Services will be held at noon on Mondays, Wednesdays and Thursdays, while on Tuesdays and Fridays the hour will be 5 p. m., and on Thursday at 8 p. m.

Christ Church—Services will be held at noon on Tuesdays and Fridays, and at 5 p. m. on Mondays, Wednesdays and Fridays, the latter being a children's service.

AT THE CATHOLIC CHURCH.  
The following regulations have been issued by Bishop Van de Vyver for the government of Catholics during Lent:

All the faithful, who have completed their 21st year, are, unless legitimately dispensed, bound to observe the fast of Lent. They are to take but one meal a day excepting Sundays. The meal allowed on fast days is not to be taken until about noon. A small refreshment, commonly called collation, is permitted in the evening.

The following persons are exempt from the obligation of fasting: Persons under 21 years of age; the sick; nursing women; those who are obliged to do hard labor, and those who, through weakness, cannot fast without great prejudice to their health. The faithful are reminded that, besides the obligation of fasting imposed by the Church, this holy season of Lent should be, in an especial manner, a time of earnest prayer, of sorrow for sins, of seclusion from the world and its amusements, and of generous almsgiving. The Paschal time extends from the first Sunday in Lent till Trinity Sunday; during which time all Catholics who have attained a fitting age are bound to receive worthily the Holy Communion.

By virtue of an indult to the United States, dated August 3d, 1887, the following special dispensations are granted:

The use of flesh meats is permitted at all meals on Sundays, and once a day on Mondays, Tuesdays, Thursdays and Saturdays, with the exception of the second and last Saturday of Lent. But flesh meat and fish are not to be used at the same meal during Lent, even on Sundays. The use of butter, cheese, milk and eggs is also permitted every day in Lent. It is allowed to take in the morning some warm liquid, as tea, coffee, or thin chocolate, made with water, and with this liquid a mouthful of bread. Those for whom the hour of noon may be an inconvenient time for dinner, may invert the order and take their collation in the morning and their dinner in the evening. The use of hogs' lard or dripping instead of butter, is authorized in preparing permitted food. Persons exempt from the obligation of fasting are free to take meat more than once on those days when its use is granted by dispensation.

At the Catholic Churches the following hours of service will be observed:

West End Catholic Chapel—Daily mass, 7:30; way of the cross or stations every Friday at 8 p. m.; vespers, sermon on different phases of the passion of our Lord, followed by benediction of the blessed sacrament on Sundays at 8 p. m. To-morrow (Ash Wednesday) the blessing and distribution of ashes will precede the mass at 7:30 a. m. Sunday Services—Early mass, 7:30 a. m.; high mass, 10:30 a. m.; vespers, sermon and benediction, 8 p. m.

At St. Mary's the mass will be distributed before the 7:30 a. m. mass to-morrow. On Friday evening at 8 o'clock stations of the cross will be followed by benediction. Week day mass during Lent will be at 6:30 and 7:30 a. m.; on Sundays at 7 a. m.; children's mass, 9:30; high mass at 11 a. m. and vespers at 4 p. m. Further announcements will be made by Rev. Father Doherty next Sunday.

**THE OFFICER WAS SATISFIED.**  
Store Robbed of Several Hundred Dollars Worth of Goods.

A robbery was committed in Norfolk last week which is given to the public by THE VIRGINIAN this morning for the first time.

It appears that a number of thieves went into the basement of store No. 183 Main street, kept by R. Kantrovitz, a clothier, and cut a hole in the floor through which they entered the large storeroom and carried off in sacks several hundred dollars worth of goods.

It is reported that the police officer on the beat saw the men and asked the leader who they were and where they were going. The man answered that they were immigrants and the officer was satisfied, and the burglars escaped. No arrests have been made.

## AMUSEMENTS.

A MAGNIFICENT ENTERTAINMENT.—One of the best entertainments ever given in the Academy of Music, in a musical way, was that given last evening by the University of Virginia Glee, Banjo and Mandolin Clubs. The audience was not only large, but was fashionable, cultured and altogether critical, yet every performer so acquitted himself as to secure the warm approval of all who had the good fortune to be present. The programme was exceedingly meritorious. Of course there were some features superior to the others, but then when all were so good it is not necessary to particularize. It is sufficient to say that the entertainment was a grand success and was warmly applauded.

**FIELD'S MINSTRELS.**—The best organization of burnt cork artists that has visited Norfolk in a long time is Al. G. Field's minstrels, whose return engagement to the Academy of Music to-night should be hailed with delight by all lovers of mirth and music. The Little Rock Gazette writes:

"Yesterday afternoon and last night the capacity of the Capital Theatre was tested on the occasion of two performances given by the Al. G. Field minstrels. The healthful patronage accorded each performance is proof positive that the theatre-going public discern and pay tribute to genuine merit, for certainly no more meritorious entertainment in the minstrel line has ever been seen here."

"A JAY CIRCUS."—Sherman and Morrisey's "A Jay Circus" will be the attraction at the Academy to-morrow night, and there is fun ahead for all who go to see it. "A Jay Circus" is a farce comedy, a burlesque and with no little of the melodrama, to say nothing of the circus feature, which is immense. If one wants fun "A Jay Circus" will furnish it.

**OPERA.**—The Marie Tavyard Grand English Opera Company, which comes to the Academy of Music next Monday night, has proven to be one of the most notable organizations in the United States of recent years, it being the largest, strongest, most complete and only Grand English Opera Company that will be heard this season. The repertoire for this engagement has been selected with a view of presenting such works as would prove the most acceptable to theatre-goers, the list being as follows: "Il Trovatore," "Carmen" and "Cavalleria Rusticana" and "L'Pagliacci." The advance sale begins Thursday.

**A Sunday Morning Fire.**
